### **Patent on Float Adapter for Concrete Flatwork**

Innovation Law Group, Ltd. of Sequim is pleased to announce that the US Patent Office has issued a Notice of Allowance for issuance of a patent to local Sequim concrete professional, William Bayley. The patent is directed to an articulated adapter for use of hand floats for removal of imperfections preparatory to the final finishing. The potential adapter permits reach 10-15' out into large slab or flatwork while standing off to one side outside the forms, eliminating the use of knee boards. The patented float adapter is available on [www.bbconcretetool@aol.com](mailto:www.bbconcretetool@aol.com).

ILG assisted Mr. Bayley in the preparation, filing and prosecution of the US patent application.
