

## **Books for inventors**

SEQUIM — Innovation Law Group Ltd. of Sequim has donated copies of the latest editions of four books on invention patenting published by Nolo Press to the Sequim Branch of the North Olympic Library System.

*Patent Pending in 24 Hours, The Inventor's Notebook, Patent Searching Made Easy and Patent It Yourself* offer insight and instructions on how to research prior art and apply to protect inventions through the patenting process.

Innovation Law Group is a specialty law firm that counsels inventors, authors, artists and photographers in all phases of protection of their creative rights including patents, copyrights and trademarks.
