Area Inventor Receives US Patent on “StickyPath” App

Innovation Law Group, Ltd. of Sequim is pleased to announce that the US Patent Office issued US Patent 8,055,692 to inventor Dr. Bruce L. Horn. The patent is directed to a software application (“app”) that can be used in cell phones, PDAs, laptops, iPads and client computers to automatically show the changing path of a search when scrolling through a hierarchy of files. A second US patent on this technology will be issuing shortly.

ILG assisted Dr. Horn in the preparation, filing and prosecution of these US patents. ILG is the premier patent and trademark firm on the Olympic Peninsula, offering over 45 years experience in all phases of Intellectual Property and related business counseling from its Sequim office.
