

PRESS RELEASE
July 8, 2008

“IAS” Trademark granted Federal Registration

Innovation Law Group, Ltd. is pleased to announce that the US Trademark Office has issued a federal Trademark Registration to Incident Alert Systems, LLC of Port Angeles, for its **IAS**[®] logo. The IAS FastAlert[®] communication system provides secure, real time electronic emergency event management messages to schools and public and private facilities. The IAS system is in service in Port Angeles School District facilities. The IAS FastAlert[®] system delivers emergency event information electronically throughout and after an emergency event via computers, networks, wireless and other Internet protocol digital devices to building occupants, emergency administrators, emergency staff, emergency responders, fire, medical and law enforcement personnel about emergency planning, threats, ongoing events and strategic responses. For more information Incident Alert Systems can be reached at: 360-452-4502.

ILG is the premier trademark and patent firm on the Olympic Peninsula offering over 40 years experience in all phases of intellectual property and related business counseling from its Sequim office. ILG can be reached at 360-681-7305 or www.InnovationLaw.com.
