PENINSULA DAILY NEWS

SEQUIM — Innovation Law Group, Ltd., 237 North Sequim Ave., has added a free listing page for North Olympic Peninsula inventors to its Web site, www.innovationlaw.com.

The page gives an inventor an opportunity to list patents and applications and a brief explanation of the invention.

The inventor can also describe what rights are available along with contact information for interested investors, manufacturers or distributors to reach the inventor directly, or through Innovation

Law Group.

It is the inventor's option to respond to any related business counseling and any license or sale negotiation.

There are currently eight inventions posted on the Innovation Marketplace web page.

To access the page, click on www.innovationlaw.com and then "Innovation Marketplace" to see "Micro-Venture Opportunities - Patents and Applications Available for Licensing or Sale."

Phone 360-681-7305 or e-mail betty@innovationlaw.com for additional information or a listing request.
