**Patent On “Stradlrac”
Equipment Rack for Construction Trailers**

Innovation Law Group, Ltd. of Sequim is pleased to announce that the US Patent Office has issued a Notice of Allowance of a patent to local Sequim business, Straddle Rack Industries on its straddle-type trailer racks for construction trailers. The rack load platform is supported by legs mounted directly to the trailer sub-frame. A wide range of options are available, including equipment brackets secured to the legs that can also be used as steps, lockable keeper assemblies, dual function lockable safety cross braces, catwalk for the load platform, access ladder, and forward extensions.

ILG assisted Mr. Schmidlkofer of Straddle Rack Industries in the preparation, filing and prosecution of the US patent application.
